RESOURCES TO HELP YOU STAY SAFE,  
STAY SANE, & HAVE FUN.

## To MCAD Members and Friends:

Our world has opened up a bit, and we are cautiously emerging from our shelter-in-place cocoons. Infections are rising precipitously, so let's keep up our vigilance - wear the mask everywhere you go, and keep on practicing physical distancing.

**This week we are going to talk about our own events!** MCAD has come up with a series of **Round Table Discussions** and **Book Talks** to help keep your synapses active.

Our **Urban Re-Design?** series covers everything from Equity to the re-design of Urban Parks and Public Spaces. Our **Book Talks** series covers everything from the architecture of film villain's lairs to a spectacular travel journal of Cuban memories.

**MCAD is working hard to keep you up to date with safe activities and educational opportunities for you and the entire family. We really could use your help and are asking fans to consider making a donation to help support our efforts.** The Miami Center for Architecture & Design is a not for profit 501(c)3 and donations are tax deductible to the full extent of the law.
